*The Lord will arise...that He may do His work, His awesome work, and bring to pass His act, His unusual act.
Isaiah 28:21 NKJ*

Beloved partner,

October 2011

Yes! We have had a miracle. High Adventure Ministries will broadcast *KOL HATIKVA* (*the Voice of Hope*) 24/7 into the homes of Israel starting December 1, 2011, via Israel's HOT – Telecommunication Systems, Ltd., on CHANNEL 78.

High Adventure's Jerusalem offices have been faithfully broadcasting *The Word of the Lord Out from Jerusalem* for over eleven years. Due to Israel's strict communication laws, we have not been able to broadcast into Israel. We prayed, fasted, and asked the Lord to *open a great and effectual door* for us, and received a letter from the State of Israel, officially granting the *Voice of Hope* a license to broadcast 24 hours a day!

HOT's contract with us would have allowed us to begin broadcasting earlier this year. However, at that time, we realized we only had a portion of the money needed to start broadcasting, so we humbly requested that they give us an extension of time. They granted us an extension because of their remembrance of our humanitarian support and broadcasts from the South Lebanon border for over 21 years. They also remembered those of our dedicated staff members who had given their lives on the border of Israel. They recognized High Adventure's continued support to Israel for over 40 years.

It has been miraculous during this time of struggle to raise funds, but we ALL have stood together. Not one of our partners ever questioned me about the long delay. We simply believed it would all happen in God's perfect timing. Now, together, we have given birth to *Kol Hatikva – the Voice of Hope* – CHANNEL 78. It seems that struggle has been the pattern and history of High Adventure as we have gone through great perils. But we have all remained united together, walking out OUR PROPHETIC DESTINY in God's Service.

Your phone calls and notes have been such an encouragement to me to continue to stand! Many phone calls have come in—"Jackie, I believe God is doing a great work in these end-times, I'm sending a check today." — "Don't give up!" — "The Lord has said He is bringing in a great harvest." — "As High Adventure partners, we are giving today." — "God has shown us that He is going to reward our gifts and labor."

In the last couple of weeks, several major donors called when *prompted by the Holy Spirit* to give. One Wisconsin couple withdrew from a stock account because God had told them to do it. Then a Florida couple, touched by God, sent a significant amount. A Tennessee couple called asking how we were doing in meeting our goal - and they put a check in the mail. I received an email from a partner in Texas — "I felt the Lord wanted me to send it... I am so happy to have a part in getting God's Word out over the

airwaves to the Israeli people to encourage and bless them.” Finally, a gentleman from Florida called and asked how much we needed and said, “I am putting a check in the mail today.” He did! All of these testimony’s are to God’s glory and I want to say *Thank You* for your donations. What can I say about your sacrificial giving and working to “bless the nation of Israel?” I say, “Thank you from the bottom of my heart.”
