“God is a helper of the helpless...”

Beloved partners,

A very Merry Christmas to you all!

December
2011

When you receive this letter, the Holyland will be having an extra special Christmas time as the *Voice of Hope (Kol Hatikva)* will be penetrating their airways.

The High Adventure staff, our partners and I will always remember how hard everyone has worked to make the December 1st broadcast date! We all prayed, rejoiced and believed our goals would be met leading up to this marvelous event. This would be our Christmas present for Jesus! Together, we could write a book telling our story. One chapter would tell when we thought everything was ready to go, a phone call came from our Israel staff – they needed an additional \$20,000 for software and computer equipment! And again, a call saying that our annual Israel budgeted expenses for high-speed dedicated telecommunication lines in Israel would be increased an extra \$12,000. I was overwhelmed, to say the least! My heart was discouraged, and I didn't know what to do.

Our partners and staff had worked so hard and given their best. But somewhere deep in my heart, a peace began to grow! I knew God always made a way and He would rescue us. I meditated on the Scripture that *God is the helper of the helpless*. I remembered that *He alone is our Ebenezer -- “He helped us before and He will help us again.”*

Several weeks before, a dear partner said her husband had passed away. She told me that he had included High Adventure in his estate trust years ago. Probate was now settled and the trustee's were reviewing the designated beneficiaries. She asked me to tell her about us. What were our pressing needs? Her desire was to see High Adventure continue to move forward as her wonderful husband had planned so long ago. I said our great need was to ensure the *Voice of Hope* would be able to continue operations in Israel as we walked through the door opened by the Lord with HOT Communications. She was amazed that so many homes in Israel would be able to hear our programming declaring the love and hope that only comes from trusting God. She quickly grasped our situation and requested that we submit a grant application right away.

Can you imagine our great joy when the trust grant arrived and we were able to fulfill the large

additional funding? Praise God! My soul has been comforted and I rejoice to tell all of our partners. Once again the Lord had provided through His people. The answer was on the way before the need was known. We have had another great miracle! Our Christmas present to Jesus became His present to us!

GOD'S TIME IS NOW! More than ever, I honestly believe a supernatural move of God is here. It is no longer for the future. God is once again sending a great outpouring to the earth -- just like He did in the 1970's. During that time, the anointing was so strong that people begged to be led to Jesus. The ground was ready.

Today, we find fertile soil and an open heaven of provision necessary to carry out the vision of the Lord. The Bible says, *there will come a time before you even plant... you will be reaping.* *"The plowman will overtake the reaper!"* Amos 9:13.

Thank you for your prayers and generosity. Your monthly support provides the resources that keep this ministry broadcasting the Gospel from Jerusalem throughout Israel and via streaming on the internet on our website.

Isaac Gronberg and I have taped programming that reflects on how the Lord started this ministry. He has used High Adventure and our partners as forerunners to set a pattern in broadcasting His word in Israel, and the Middle East for over 40 years.

One story Isaac recalled was about a time when he had one hour to get a leading government to sign a document so George could broadcast. Isaac did not even know this person. When he saw a friend at a hotel, they asked, "Isaac, what is the matter? You look so downcast." He said, "Here it is, Shabbat. There is no way to find anyone, even if I knew them." Then he showed her the name of the person he had to locate. "Isaac, this is no problem. I will go and get it for you now. This man is my father."

My desire is to tell you that the Lord has heard your cry. He knows your need and will help you. Beloved partner, continue to wait on the Lord -- be of good courage and He will strengthen your heart. Before you call – He will answer!

I pray for you and ask the Lord to abundantly bless and prosper you now. I ask the Lord to comfort, strengthen and grant you the desire of your heart. I pray you are sheltered under the everlasting arms of Jesus. The miracles of High Adventure Ministries are your Miracles too!

I love you,

Jackie Mitchem Gasky

God has given you a supernatural ear with the ability to hear our needs and give. Don't forget the year end for tax deduction.
