**APRIL 2012**

Beloved partners,

For High Adventure Ministries, the month of March was a story of sirens, tornadoes, hail, snow and severe weather patterns. Isaac Gronberg phoned to tell us it was snowing in Jerusalem and there was heavy snow on Mt. Herman. We heard of huge hail balls and a tornado touching down in Hawaii. We were in the cellar when a “surprise drop-down” tornado landed less than a mile from our office. Several days later, another tornado hit near a local meeting location. Then our national news reported the devastation just over the Louisville, KY bridge in Henryville, Indiana. God is trying to get our attention.

Patriarch Fouad Twai

Recently I received a frightening email from a news agency in Israel. Journalist Giulio Meotti reported that the Latin Patriarch of Jerusalem, Fouad Twai (named by Pope Benedict to represent the Vatican in the Jewish state) declared that, “Israel’s existence as such has nothing to do with the Bible.” The Vatican synod in 2010 declared that Israel cannot use the Biblical concept of a promised land or a chosen people. The synod’s document said, “There is no longer a chosen people. The concept of the promised land cannot be used as a base for the justification of the return of Jews to Israel and the displacement of Palestinians.” Just a few days ago, Patriarch Twai responded enthusiastically to the agreement reached between Hamas and Fatah.

So dear ones, upon my recollection this is the first time in my life where a major religious organization has declared openly that Israel’s existence has nothing to do with the Bible. However, the Bible says God made an ETERNAL covenant with Israel, unlike any other one—He swore it to Himself. He made a covenant with Himself (Gen. 17). This is not a conditional word.

We are in a time when people who believe in God’s eternal covenant will be ridiculed and denounced. That means us! We must stand, as never before, believing God’s Word is true – He never changes.

**THE JEWS WILL NEVER LEAVE ISRAEL AGAIN!** In Amos 9:14-15, God tells us: “I will bring back the captives of my people Israel; they shall build the waste cities and inhabit them; they shall plant vineyards and drink wine from them; they shall also make gardens and eat fruit from them. I will plant them

in their land, and no longer shall they be pulled up from the land I have given them, says the LORD your God.”

April is the time of Passover. But, this is when God performed some of His greatest miracles on the earth. God saw the blood applied on the houses. The Bible says that when the Israelites left Egypt, even some Egyptians left with them. We must stand steady. We must encourage one another that God loves us, and even though terrifying events are taking place, we are saved by the blood of His son, Jesus.

This is the message we must continue to convey individually, through media and one on one. The Word says, “We will overcome by our testimony and the blood of the lamb.” We are to “comfort the people of Israel.” High Adventure Ministries does comfort them, with our message of hope and love.

More than ever, High Adventure really needs your continued financial help in order to maintain development of our programs targeting the Jewish people to hear about the Messiah and news-breaking updates. Remember, we are comforted knowing HE IS RISEN!
