*“For He will finish the work... because a short work will the Lord
 make upon the earth.” Romans 9:28*

Beloved partners,

As I watch and read terrifying breaking news headlines, I am very aware that we are living in the last days. All of you know we have never lived in a time like this.

SMALL ASTEROID EXPLODES OVER RUSSIA - Things are happening so quickly now it is absolutely astounding. Two weeks ago, can you imagine driving along a highway in Chelyabinsk, Russia when a plunging asteroid explodes above with a blinding flash and nerve-wracking sounds comparable to a nuclear explosion? Suddenly the shockwave shattered windows and hurt over 1,100 people in a catastrophe unprecedented in modern times. The city population of over 1,130,273 people witnessed this horrifying event.

Personally, it never occurred to me that I would ever see such calamities. But, in the book of Luke we are told in the last days that the “stars of heaven” shall fall. Star is from the Greek word aster. One of the signs in the heavens tells us asteroids will fall to the earth. God says when these things start happening, it is a sign that Jesus is coming soon!

ROME, THE CITY OF 7 HILLS - At this moment we do not know the significance of the resignation of the 85-year-old Pope Benedict XVI. His rapid decision is another news jolt sent out to the world. Knowing the urgency in our times, I decided to research Benedict’s name. During my investigation, I discovered the biography of St. Malachy, the twelfth century Catholic Archbishop of Ireland. His prophecy has been locked up in the Vatican and it relates to the succession of popes. This will be a very important year for Rome, Biblical views, and perhaps a transformation of the church.

After the Pope’s resignation, we quickly contacted Hal Lindsey, asking him to be a commentator for our HATV-Israel Internet Network. Please watch the spectacular, informative teaching about St. Malachy (If you do not have access to our internet network, call or drop me a note. I’ll mail you a DVD copy ASAP).

HATV-ISRAEL PROPHETIC BROADCASTING - Praise God! We also added Dr. Jack and Rexalla VanImpe, and Perry Stone on the HATV-ISRAEL TV Worldwide Network. Once again, High Adventure Ministries is on the forefront, showing God’s people standing with Israel and sending the Word of the Lord out from Jerusalem.

Our generation is aware when significant signs such as these occur, we are called to be His watchmen and witnesses to communicate His Word. God says, “When my judgments are in the earth, people will learn righteousness.” (Is. 26:9) The lost and perplexed of the world are looking to us for answers. And we have them!

As our partners, you know that High Adventure Ministries staff has always trusted in God to meet our financial needs. We know that you “listen” to the Holy Spirit and faithfully stand with us. So I am asking, when you pray,

you will hear Him speak to you about the urgent ministry needs. We believe the Lord will touch your heart to support His work with continued vision for the lost.

Although the world situation declines, Jeremiah 29:11 says, "I know the plans I have for you, says the Lord, plans of good and not evil to give you a future and hope." Thank you Lord Jesus that your plans for us are full of hope and goodwill.

I love you!

Please pray for our Margie! Margie Carpenter, our COO (and my sister!), has fallen ill and desperately needs your prayers. She has been out of the office on Medical Leave for the last few weeks. Please pray for a full recovery.

PLANT A TREE NOW!

As Easter and Passover are soon approaching, please consider planting a tree in the High Adventure Forest. We are thrilled to be able to offer you an opportunity to help fulfill Isaiah 41:18-19, and cause the desert areas to re-bloom by planting a tree in Israel. You can plant your tree In Honor or In Memory of a loved one or even To Celebrate a special occasion. For a donation of just \$25 or more, we will plant one tree in Israel and also send you a beautiful personalized certificate from The Holy Land ready for framing. These are also very popular Mother's Day and Father's Day gifts!
