*“Hear this, ye elders and give ear all ye inhabitants of the land.”
 Joel 1:2*

June 2014

Beloved partners,

Anne Graham Lotz stepped to the podium in Washington DC at the National Day of Prayer on May 1st 2014. She said that when she was asked to be the “Honorary Day of Prayer Chair,” she promptly accepted because she felt, “alarms going off everywhere saying, ‘WAKE UP!’”

She quickly reminded us that in addition to multiple warnings in America, God has given us two significant signs which show we are in the last days.

“One is the rebirth of Israel and the other is the environmental disasters throughout the earth.” One very interesting facet of Anne’s message was her statement about her 95 year old father, Dr Billy Graham. She told us how she had always felt he would soon pass on to heaven as a sign to the world. Now, however, in her recent prayers she believes the Lord is showing her Dr. Graham might never die because...**JESUS IS STANDING AT THE DOOR. HE IS READY TO RETURN!**

Anne told us that the words **PRAY, REPENT and CRY OUT** are so significant that she left the bedside of her sick husband, Daniel, to deliver this message. She truly ministered to me as the Lord had challenged me also to leave my dear mother’s bedside. Mom was in intensive care at the hospital, but something very urgent is happening now. I had to leave her and come to National Day of Prayer. **Our world is in a perilous situation.** Now is the time to pray **every moment** that God will bring in the precious seed of the harvest.

Dr. James and Shirley Dobson stirred the Christians to pray as never before! One of my primary purposes for coming was to **remember each of you** and cry out to God to **answer your prayers** and touch you, and bring in your family members. Rabbi Jonathan Cahn was there and he passionately appealed that God would stay His hand of impending judgment. Also, we attended a private ceremony of Evangelical Christians meeting with the newly appointed Israeli Ambassador to the United States Ron Dermer.

Please join me as never before to seek the Lord for mercy, repentance and the fear of our Holy God to come over our nation. Pray He continues to give us anointed messages to reach the nations. I am asking the Lord to touch your heart this month to help us. We must reach those who are lost with the Gospel. It is only because of your generous gifts that we are able to **blow the trumpet in Zion and sound the alarm.**

GEMS FROM GENEVIEVE...

He's all I need. I love this song. Sing with me now:

When life has let me down, and peace cannot be found. When all my hopes and all my dreams, lie scattered on the ground. Or when my joy turns to sorrow, and there's no hope for tomorrow That's when Jesus is all that I need.

He's all I need
He's all I need
Jesus is all I need
He satisfies
My need supplies
