*“...Go and make disciples of all nations...And surely I am with you always, to the very end of the age.”  
 (Matthew 28:19-20)*

Dear Partners,

**August 2014**

Paul and Silas traveled to Philippi and stayed there several days preaching and teaching the Gospel of Jesus Christ. As they were going to the place of prayer, they were met by a slave girl who had a spirit of divination earning a great deal of money for her owners. This girl stalked Paul for many days shouting, “These men are servants of the most high God, who are telling you the way to be saved!” Paul became so troubled that he turned around and said to the spirit,

“In the name of Jesus Christ I command you to come out of her!” At that moment the spirit left her! (Acts 16:18).

When her owners realized that their hope of making money was gone, they seized Paul and Silas in the marketplace to face the authorities. The crowd joined in the attack. Paul and Silas were severely flogged and thrown into jail. At about midnight there was a violent earthquake while they were singing and praising God. The prison doors flew open, and ALL the captives chains came loose. The suicidal jailer brought them out and inquired, “Sirs, what must I do to be saved?” He and his entire household was saved. At daylight, they were released by the officers. “Now you can leave. Go in peace.” But Paul said in reply, “You beat us publicly... You threw us into prison. Now you want to get rid of us quietly? No! We didn’t come in here quietly and we will not leave quietly.”

**BREAKING NEWS: BAGHDAD, IRAQ:** Pastor Maher and Pastor Feghaly have built a large radio station, counseling and a call-in for prayer center in Baghdad from a small High Adventure suitcase radio, originally reaching one radius mile. Today, it reaches over seven million people (25% of the total country of Iraq). They continue to broadcast even though ISIS (Islamic State In Iraq) militants border Baghdad. Last week, all of the Baghdad electricity and our generators were shut down because of the ongoing crisis.

Even using our latest technology, we could not complete a Skype call with the Pastors for the war zone interview. We came into our studio on Saturday and made a successful second Skype attempt. Praise God! Our two precious brothers were available. They are true apostles establishing churches through Iraq and trusting God every day. We recorded their current accounts of the war zone status. They told how during the bombings of the Iraqi War, hundreds of people would call in for prayer. It was a revelation from the Lord that these two heroic Pastors are like Paul and Silas, "We will not leave quietly." **In Baghdad we are moving forward!**

**MOSUL IS ANCIENT NINEVEH.** Four years ago the Iraqi government granted us a license to broadcast in Mosul. But, until today, we have faced many obstacles. The Lord prevented us from

taking our transmitter into Mosul. About a week ago, God opened a new door for us to purchase an isolated piece of land for \$25,000 upon which we will be able to set up the big transmitter. We also have a new "weapon of mass evangelism" available -- a pre-fabricated "studio in a box." This "studio" is made from a large shipping container with a complete broadcasting studio inside of it. The approximate cost of this studio (production and shipping) is \$36,000. When this vision is completed, we will be reaching all of Iraq with the Gospel of Jesus Christ. Today is the perfect timing to make this purchase. If anyone can help, please let me hear from you. It would be miraculous!

Remember Jonah? God prepared a big fish! God got his attention! Jonah proclaimed God's message to the people. In one day Nineveh was saved! Today, we can prepare to get the message of God to 100% of the desperate and lost people of Iraq. All we need is supernatural financial help.

When you send your contribution this month, please ask for a copy of the DVD we produced with the Baghdad Pastors. We will not leave silently! We will proclaim there is help and hope in the Name of Jesus! We will send in our weapons of mass evangelism and cover the earth with the *Voice of Hope* – the good news of Jesus Christ!

**Happy Birthday Genevieve!**

August 16, 2014 - Genevieve will be 99 years old!

Mine eyes have seen the glory of the coming of the Lord;  
He is trampling out the vintage where the grapes of wrath are stored;  
He hath loosed the fateful lightning of His terrible swift sword;  
His truth is marching on.
