Rejoice in the Lord always. Again, I will say rejoice! Let your gentleness be known to all men. The Lord is at hand. Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving let your requests be made known to God; and the peace of God, which surpasses all understanding will guard your hearts and minds through Christ Jesus. Finally, brethren, whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praise-worthy then – meditate on these things.
Philippians 4:4-8

**Happy

Beloved partners,

I am so grateful to see the Lord touching the hearts of our President and the American people, urging them to stand strong with Israel. At this time in history, it is amazing to see the Jewish people giving recognition to the millions of Christians who love and support them.

Christians around the world are praying for the peace of Jerusalem! Our United States Embassy is established there! Our programmers are sending the Word of the Lord to the Jewish people and telling them how God loves them.

We are showing our love and compassion for the Jewish people in every tangible way. Together, at High Adventure/VOICE OF HOPE we are raising awareness among Christians to know their Biblical responsibility toward the Jewish people.

Have you claimed God's promise to bless you because you are blessing Jerusalem? Begin to claim that promise now! God says in Genesis 12:3, "I WILL BLESS THOSE THAT BLESS YOU AND CURSE THOSE WHO CURSE YOU." Throughout Scripture, we see firsthand what God means.

The Apostle Paul said in Romans 15, "I am going to Jerusalem to minister unto the saints for it pleased the Macedonian and Achaean Christians to help the poor there." Why did they help the work in Israel? Because according to the Bible, they were indebted to the JEWS. The Jews gave us our Bible and they gave us our Messiah.

As a people of covenant with God, we are called to be the salt and light to the entire world. We are

to proclaim boldly that the God of Abraham, Isaac, and Jacob is the God of Israel. THERE IS NO OTHER BESIDE HIM. Israel did not need Christianity to validate their existence. Christianity on the other hand, is validated and came into existence through the Jewish people.

As you pray for Israel, do not forget to also pray for the United States. When President George Washington was financially faltering in the American Revolution, a Jew named Heim Solomon raised several million dollars to help feed the starving troops. In commemoration for this memorial deed, the Star of David was placed on the United States of American one-dollar bill. It remains there to this day. Above the eagle's head, you will see it strategically placed in the Sakeinah glory. We found a coin, which we compared to the dollar bill. The coin has King Cyrus and President Trump's image and the Menorah and the lion. It is called "The Temple Coin." The coin expresses a message of gratitude for recognizing Jerusalem as Israel's capitol, and President Trump's decision to transfer the American embassy to Jerusalem. (Read Isaiah 45 and compare King Cyrus to President Donald Trump in today's world.) We have a few coins left and we will send them upon your request.

Thank you for standing strong with Israel through your partnership with this ministry. During these busy summer months, your monthly support is critical. Please continue to keep the needs of High Adventure/VOICE OF HOPE in your thoughts and prayers. Together, we will see the Lord, Jehovah, Jireh, provide! Without you, it would not be possible, but with you, the ministry of High Adventure is a tool in the Master's Hand! God bless you for your continual dedication and generous support.

PARTNER OF THE MONTH

For the month of June, our partners will be Maerita Artlip and her mother Mae. They have been partners for almost 20 years. Maerita and Mae have been mighty prayer warriors for this ministry.

We met Maerita at one of Howard Richardson's prophetic meetings. She was one of his workers. She never misses an opportunity to minister!

Maerita is a bright light, and never misses an opportunity to minister to others. You would never know she and Mae struggle with health issues. They put it in God's hands!

Mae is like the Ark of the Covenant. Their God-given creativity allows them to design and make lovely gifts for others. They are such an encouragement, especially to our Voice of Hope staff!

Don't Let Yesterday Mess Up Tomorrow

But we will [continue to] devote ourselves [steadfastly] to prayer and to the ministry of the word." (Acts 6:4 AMP)

Each morning my husband and I have time with the Lord in prayer and devotion. We pray and devote each day to God and ask that we honor Him in all that we do. So, how do we do? Well, that is a loaded question and really depends on our hearts and our attitudes.

See, it is easy to say that we are going to do better today than we did yesterday, and it is easy to pray that we do this. However, it takes purposeful action to follow through. It takes self-control to speak kindly and not gossip. It takes asking for wisdom before acting on impulse. It takes restraint to pray and seek the Lord before pursuing our own desires.

When we speak without considering what words are being spoken, when we act and not listen, when we go after what we want and not ask for God's favor, we take the chance of missing an opportunity for God to show us how He wants us to respond or do what He would have us do.

I know that I fall short each day. I know that I have done things that God dislikes. I know that I have been outside of the will of God. I know that I have lived life apart from God, and it never works out.

Thankfully, we serve a God that loves us. A God Who is merciful. A God that gives us a tomorrow to get right what we messed up yesterday. Praise God!

Happy Birthday Jackie! June 10th
